Thank you for participating in the LHS Music Dept. Poinsettia Plant Sale. These are the steps you must follow in order to pick up your plants from the greenhouse.

1. Review your order form. Calculate the total number of plants (by size and color) that you will be picking up from the greenhouse.
2. **Call Orchard Hill Greenhouse at 235-2804 with that total at least 24 hours prior to pick up.** This will give the greenhouse time to package your plants for safe transport and have your order ready when you arrive. Remember, plants will only be available from December 1st until December 15th.
3. Bring your original order form with you when you go to the greenhouse. **This is very important!** The greenhouses will be not release any plants unless they see this order form with order verification.
4. When you have your plants, make sure that you deliver them immediately to minimize the risk of damage to the plants. They are fragile and sensitive to the cold.
