

We are VERY excited to introduce our latest fundraiser –

WORLD'S FINEST CHOCOLATES!

World's Finest Chocolates is family owned and based in Chicago since 1939. They are one of 9 American companies that manufacture chocolate directly from the bean, combining that with an exclusive blend of premium ingredients. These are GOOD chocolates!!!

Student will be selling Variety boxes of \$1 Candy Bars

Dark Chocolate / Milk Chocolate / Milk with crisps / Milk with caramel / Milk with almonds

This is a 50% Profit Fundraiser!! How it works:

1. Students purchase a box of 60 bars for \$60 - \$30 of which automatically goes directly into the student's account
2. They then sell these candy bars for \$1 each, making back the \$60 original investment
3. They can then purchase another box for \$60, again \$30 of which will go directly into their account, and sell it for \$60, and so on and so on....
4. *The more they sell, the more money they make for their account!*

Boxes are available for purchase before or after each Thursday rehearsal throughout May (or by request – see Mr. Soucy). Please bring a check for \$60 per box made out to *Friends of Music*
